8 Plaintiffs,

ORDER

9 v.

10 JOSEPH McDONALD, et al.,

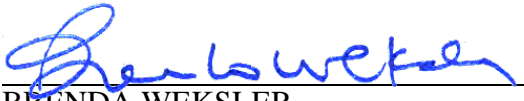

11 Defendants.

12 This matter is before the court on the parties' Joint Status Report (ECF No. 11). Within  
13 the parties' report, it states that "[t]he Parties request that this Court issue an Order regarding  
14 Defendants' Petition for Removal as soon as possible so that matter proceeds in only one court."

15 A review of the docket shows that plaintiffs' Complaint (ECF No. 1-1) was filed in state  
16 court on February 1, 2019. Defendants filed their answer in state court on April 29, 2019, and then  
17 removed (ECF No. 1) the action to federal district court on May 13, 2019. There are no pending

19 may file the appropriate motion requesting that relief. Accordingly,

20 **IT IS ORDERED** that, if needed, the parties shall file an appropriate motion requesting  
21 relief from this court.

22 DATED this 18th day of June, 2019.
